Hello Shaun,

My name is Randall Jochim and I work for Resource West in Grand Junction CO. I understand you are overseeing the water issue down in the Durango CO area. I want to see if any of our products could be of assistance. Please take a look at the two brochures I have attached regarding our evaporation units and our temporary above ground water storage tanks and let me know if you have any questions.

Thank you,

***Randall Jochim***

Evaporation Division Manager
